Brian,

Per your prior notes, I wanted to let you know that this morning [Redac]  
[Redac] accepted a position on my team. He will be leading  
marketing/outreach for our business customers as the Sr. Manager, Business  
Customers within Solutions Marketing. Assuming standard timing for  
background checks/etc., I anticipate that [Reda] will be an official PG&E  
employee before the end of December.

I'm very happy to have him join the team. [Redacted] interviewed with several folks across IDSM and consistently the group agreed that he's a smart guy with strong business-to-business marketing experience. Folks also agreed that Doug seemed very collaborative and that his style would fit well with the PG&E culture.

Please let me know if you have any questions.

Best,  
Erin
