Subject: Transitioning to a new section

Hi Reda and  
Meredith,

You amy already know  
but I recently accepted an offer from the Finance and Load Migration  
section in Energy Division. I wanted to send you an email to say that it  
has been great working with both of you during my time in RPS as well as with  
everyone at RPS and your team at PG&E and I will always value the  
great experience and relationships that I have built during my short time in  
this section. I will wrap up a few more resolutions over  
the next week as I make my transition into my new group so we will still be  
in touch. Going forward, I will continue to be available at my  
present phone number and address if you have any questions or need to contact  
me. Have a good weekend. Thank you.

Kind  
Regards,

Niki
