Subject: RE: R0911014 Resubmission - WEM Reply Comments re Safeguards

Parties to R.09-11-014,

By this order I reject, without prejudice, the Reply Comments filed by Women's Energy Matters (WEM) in R.09-11-014. WEM's Reply Comments were originally filed on October 18, 2010, five days after the required filing date. Because WEM's Reply Comments were rejected (due to lateness and other deficiencies), WEM resubmitted its Reply Comments on October 18, 2010. WEM's submission included two attachments. The first attachment ("A"), which totaled in excess of 100 pages, purported to be an excerpt from the transcript of R.09-12-020. WEM claims the second attachment ("B") is the transcript of the Novato City Council Sustainability Committee's June 8, 2009 meeting.

WEM may, within seven days of this ruling, re-file its Reply Comments. Should WEM re-file the document neither the text nor substance of the resubmitted version shall be altered, with two exceptions:

First, WEM's "Appendix A" will be deleted and replaced by citation to only those pages of the document that support the point WEM wishes to make. Each citation should identify the proceeding or decision number in which the document was submitted, and the exhibit assigned to the document, however, WEM need not provide multiple citations for the same point.

Second, WEM's "Appendix B" will be deleted. WEM may, at its discretion, include a motion (pursuant to Commission Rules 11.1 and 13.9), requesting official notice of the document it included as Appendix B. WEM may reference this motion (and the document attached thereto) in the text of its Reply Comments.
