Subject: RE: Feedback -- gas conservation program authorization?

We're talking internally. Should be not long.

Subject: Feedback -- gas conservation program authorization?

Hi Paul and Frank, just checking in to see if you had any feedback on whether some form of approval would be necessary before PG&E launches the shareholder-funded December gas savings incentive program we discussed with you yesterday. If your sense is that the letter process we discussed is necessary, we can get right on that before the holiday. I'm around all day if you can give me a call or shoot me an e-mail: Redacted is my blackberry.

Also, Paul, was hoping to talk quickly about Top 100 timing (for 2007/08).

Thanks,

Trina
