Subject: RE: Discuss Reopressuriation of 101 and curtailment update

Anna-Marie,
FYI - I spoke to Nuria and she told me that Pres Peevey is not available 12/3 and the whole week next week. She said Carol is available at 11:30am on 12/3.

With that said, do you mind sending the invite to Carol Brown to join in this meeting too in addition to Julie Fitch, Rich Clark and Frank Lindh when you set the appt for 12/3 at 11:30am. Thank you for your patience.

it sounds about right, but it'll be up to Paul Clanon who should attend the meeting with him from the CPUC.

The one for tomorrow, 11/30/10 at 10:30am, is to discuss the Pipeline 2020 Plans (which was requested by Paul Clanon) with Bill Stock, and Randy Livingston (VP).

As for 12/1/10 at 3:30pm, that meeting is to discuss the Reopressurization of 101, and curtailment update to be attended by Bill Stock, Kirk Johnson (VP), and Lise Jordan (Atty.)
