Subject: PG&E Study on 10,000 Ag customers on TOU

Sid-

Ordering Paragraph 25 of D.10-02-032 (the PDP decision) directs PG&E to produce an analysis of projected bill impacts under time-of-use rates for a 10,000 customer sample of ag customers by November 2010. The information should be provided to Energy Division and the Ag. Energy Consumers Association.

Can you tell me the status of the analysis and when Energy Division can expect to see it? Also, please send me and Steve a copy of it when it is circulated.

Thanks,

Bruce
