It's available. I'm going to move my meeting now to room 4206, so why
don't you go ahead and book room 4000?

All, let's go ahead and do the switch, as long as a room is available at
2pm we will get what folks we can to adjust schedules. [Redacted]
just responded that 2pm works better for him.

Jaclyn, Molly please confirm that it is Room 4000 at 2pm.
I have reserved Room 4206 for 2:45 - 4:15, which ED could use.

Molly:

We are currently scheduled to meet with DRA at 3 pm that day on the same issue. I have asked Mary Jo to see if she can switch times with you guys -- meet with DRA at 2 and then meet with ED at 3. She was not sure if this could work, but is checking into it. If not, can you still manage to meet at 2? if we have to start a few minutes late I'm sure that would be ok

As an FYI I am out of town on Friday -- Meredith is the lead on this issue and will be meeting with you Friday.

Thanks,

Redact

Damon Franz is going to be the assigned analyst.

Is there anyway we could push the meeting back to 3 on Friday instead of 2 PM?

Not sure if that works for Jaclyn and Damon, but I have some out of towners meeting with us at 1 and I'm not sure we'll be finished in time.

[Redacted] thanks for the heads-up. Once I get it, I'll pass it on to Molly Sterkel. Molly's team is going to be assigned to the application.

Hi Jaclyn:

In anticipation of your meeting with Meredith on Friday, I wanted to let you know that we dropped off a copy of the DOE loan application for you yesterday in our afternoon mail run. If you have not received it yet, I would suggest checking in with your mailroom.

Thanks,
