I'm hopeful that I'll be back in the office tomorrow. I'll give you a call then and we can talk more about it.

We'll have at least one person in person and I'll be attending remotely.

On another topic ---- do you know if anyone from the CPUC plans to attend the CEC's IEPR workshop next Tuesday the 23rd? Just curious.....we will have some folks there, but we plan to take a low-key approach. I don't think we will send anyone from Energy Procurement.

Hello Eric, sorry for the delay, I'm out sick.

Sean Simon on the RPS team should be your point person for the biomass procurement project. SVN is his email address.
