All:

Attached is the latest draft joint motion for adoption of settlement and settlement agreement. The revised draft reflects comments from TURN and internal folks. We're awaiting comments and sign off from DRA, which we hope to receive tomorrow. The title of the document is misleading - note from the date on the revised draft the hope to file on Tuesday this week. Matt, Rashid: please sign signature page, pdf and return to me by email. I will do the same and email to each of you.

Thanks,
