Subject: RE: PG&E 2011 GRC Phase 3 schedule -- DRA proposed changes

Dear all,

I know that all of us are focusing on hearings right now. However, the schedule for Phase 3 is a serious issue, and we intend to seek extension with the Judge and hope to get your support.

The current phase 3 schedule overlaps with the modified phase 2 (non-residential rate issues) schedule, and DRA's contract just got approved a couple weeks ago due to the long delay of California budget approval. The current phase 3 schedule requires that DRA and the intervenors file testimony on February 5, 2011, which is just about a little over two months. There are also holidays (Thanksgiving, Christmas and New Year) to consider. Overall, it will not provide sufficient time for DRA's consultants to conduct an adequate review of PG&E's IT revenue requirements and may deprive the Commission with a complete record for an informed decision-making.

DRA's proposed new schedule for the Phase 3 is shown below:

PG&E GRC III, A.10-03-014, Current Adopted Schedule PG&E GRC III, A.10-03-014, DRA Proposed Revision

Application	March. 2010	March. 2010
DRA and		
Intervenor Testimony	2/5/2011	3/15/2011
Concurrent Rebuttal Testimony	2/26/2011	4/5/2011
Evidentiary Hearings	03/22-25/2011	4/20 - 4/26/2011
Opening Briefs	4/19/2011	5/20/2011
Reply Briefs	5/7/2011	6/7/2011

Proposed Decision August. 2011 Sept. 2011

Please let us know by COB Tuesday (Nov. 23, 2010) if you have any suggested changes or objections.

If we don't hear from you, we would take that as you do not object to the changes.

Thank you for your attention and time to consider this.
