

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking to Examine the Commission's Post-2005 Energy Efficiency Policies, Programs, Evaluation, Measurement, and Verification, and Related Issues.

Rulemaking 06-04-010  
(Filed April 13, 2006)

**ASSIGNED COMMISSIONER'S AND ADMINISTRATIVE LAW JUDGE'S  
RULING REGARDING DUE DATES FOR 2009-2011 ENERGY EFFICIENCY  
PORTFOLIO PLANS AND ENERGY EFFICIENCY STRATEGIC PLAN  
APPLICATIONS**

On April 21, 2008, we issued an Assigned Commissioner/ Administrative Law Judge's Ruling (April 21 Ruling) regarding parameters to be used in the upcoming energy efficiency portfolio plan applications. The April 21 Ruling directed the investor-owned utilities (IOUs) to file a base scenario for their 2009-2011 portfolios using the updated 2007 generation cost values adopted in Resolution E-4118. The April 21 Ruling further directed the IOUs to include in their filing a second scenario using an updated carbon adder value of \$30/tonne. Finally, we directed the IOUs to use the draft Database for Energy Efficient Resources (DEER) 2008 Update numbers in their 2009-2011 portfolio planning.

While we directed the IOUs to use the draft DEER 2008 Update, we are now informed by Energy Division that the final DEER 2008 Update, released in April for a critical subset of energy efficiency measures representing 80% or more of the anticipated 2009-2011 portfolio savings, will be available approximately May 30, 2008, for portfolio planning purposes. It is reasonable to extend the deadline for filing the 2009-2011 portfolio plan applications, currently scheduled

for May 15, 2008, to allow the IOUs to incorporate the final DEER 2008 Update for these 2009-2011 planning measures. There may be a need for supplementary filings to consider the remaining DEER measures representing 20% or less of the anticipated 2009-2011 portfolio savings.

The 2009-2011 portfolio plans will now be due June 23, 2008. While the joint IOU Energy Efficiency Strategic Plan application was not directly affected by the April 21 Ruling, we believe an extension to the filing date for this application is also warranted. The Energy Efficiency Strategic Plan application will now be due on June 2, 2008. With these changes in due dates, we now anticipate final decisions occurring in November or December 2008. This may result in interim decisions to ensure bridge funding for energy efficiency programs for early 2009, or other approaches to minimize funding and/or program gaps.

Today's Ruling solely concerns the IOU 2009-2011 portfolio plan applications and the joint IOU Energy Efficiency Strategic Plan application. DEER values issued by Energy Division for use in the 2009-2011 portfolio plans should not be construed to prejudge what updated DEER values will be used for evaluating 2006-2008 programs or portfolios.

**IT IS RULED** that:

1. Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), Southern California Edison Company (SCE) and Southern California Gas Company (SoCalGas) shall file their 2009-2011 energy efficiency portfolio applications on June 23, 2008. These applications shall incorporate available final DEER 2008 Update values.

2. PG&E, SDG&E, SoCalGas and SCE shall file their joint Energy Efficiency Strategic Plan application on June 2, 2008.

Dated May 5, 2008, at San Francisco, California.

/s/ DIAN M. GRUENEICH  
Dian M. Grueneich  
Assigned Commissioner

/s/ DAVID GAMSON  
David Gamson  
Administrative Law Judge

**INFORMATION REGARDING SERVICE**

I have provided notification of filing to the electronic mail addresses on the attached service list.

Upon confirmation of this document's acceptance for filing, I will cause a hard copy of the filed document to be served upon the service list to this proceeding by U.S. mail. The service list I will use to serve the hard copy of the filed document is current as of today's date.

Dated May 5, 2008, at San Francisco, California.

/s/ ROSCELLA GONZALEZ  
Roscella Gonzalez
