My view is that anyone who wants to go to the Giants celebration ought to. I don't quite see it as rationale for further postponement of this meeting.  
Thanks,

Mark

The parade will celebrate a historic event and if there is one Giants fan on distribution, I support postponing the meeting so they can participate. I'd just like to make sure the meeting isn't delayed too long. However, since it is late, I will plan to attend the TAP in person unless I get a cancellation notice before 9am tomorrow.

Thanks,  
Tom

Lastly, the SF Giants were extraordinarily successful in the 2010 World Series closing it out in 5 games. As a result tomorrow at 11:00 am is the celebration parade through downtown San Francisco. We are open to suggestions from the group if you all would like to reschedule this session in favor of attending the parade.

Thanks,

Bill
