Jaclyn,

Attached is the excel version. Green indicates that the project is online and red that the project is withdrawn.

Please let us know if you need more information.

Thanks,

Meredith

PG&E, SCE, and SDG&E,

Can you please send me the excel version of your WDAT SGIP Queues? Since I assume this is something you already have, it would be great to receive it by the end of the day on Wednesday. If you need more time, please let me know.

Here are the links I found online to the pdf versions:
