Subject: Phase 2 Non-DEER Review

Dear All,

Energy Division is now accepting Phase 2 new measures workpapers for review as described in the November 2009 ALJ Ruling on non-DEER review. To ensure a smooth workpaper submission process, please read the attached MS Word document with filename: [Phase2WorkpaperReviewProcess.docx](#).

Additionally, we have archived on Basecamp the 2010-12 Phase 1 review workpapers. To access the utilities' workpapers and ED's comments on the workpapers, please click on the

link titled Your Archived Projects at the lower right hand side of you dashboard screen.

Thank you.

Peter Lai
