Subject: San Bruno Independent Review Panel

Brian, see below. The Panel would like to have PG&E come Jan 12 and 13. They've described what they want to Frank and me as informal discussions to educate them on PG&E's gas programs, operating the transmission system, and so on.

From Chairman Vanderhoef:

We are planning on talking to PG&E folks on January 12 and/or January 13. Paul, please invite PG&E for those days. The meeting on Jan12 will be in the morning, going into the early afternoon (likely 9a-1p). On Jan13 we will meet from late morning till late afternoon (likely 11a-4p). PG&E will soon receive the likely topics of discussion, so they will know who to send.
