I can change it. 2pm ok?

By the way, Alex just told me that Frank just turned 58, not 68. Paul—the birth certificate you gave me from the Kenya Bureau of Records is where I found his birth date.

You are Frank Hussein Lindh, correct Frank?

Some probability Frank and I can make 1 pm. Better probability of 2 pm, I think.

We are set for Thursday at 1 pm at North Beach to celebrate the holidays and Frank's 68th birthday.

I am sure Willie Brown will be there as well. He always is.

Thanks.
