Hi Jaclyn,

I should have the schedule information early next week and will send to you. We can also discuss scheduling the check-in.

Happy holidays!

Meredith and David,

As Sean has communicated, I will be the Solar PV Program CPUC contact going forward. Sean mentioned that Meredith will be sending me an email with the compliance AL and RFO timing. Also, I have been checking-in with the IE on the status of the UOG solicitation and project development. It would be great to hear from PG&E regarding the UOG program status. Let's set up a check-in meeting for mid-January.

Thanks and Happy Holidays!

Jaclyn
