Subject: RE: Minutes and Materials SmartMeterTM Technology Advisory Panel (Session 3) -

Thanks for the emails. I've attached a version of the minutes with a couple of tracked changes.

The hard copy of the Chapter you distributed at the meeting is consistent with DRA comments and we approve of it. Can you please send a word copy for my files?

Finally, I trust PG&E will find a way to ensure TAP materials are distributed such that DRA, CEC, and others can review them in advance of the meeting.

Thanks,
Tom
