Attached is the agenda for the Jackie Speier  
event on Sunday 12/19 in the event that you don't have it. I know that  
Rich Clark will be presenting on oversight of PG&E's efforts to increase  
capacity ( I assume this means meeting SF Peninsula needs during cold weather  
events). Do you know if anyone else from the CPUC will be attending or  
what they may cover?

Thanks.

Bill
