Subject: Re: R.10-05-006 Bundled LTPP "Walk-Through" Info Session?

Hi Rebecca,

SCE would very much like to present at this information session. We are available the 11th, 25th or 28th, but strongly prefer the 11th. We would like to begin Track II as soon as possible, and believe the informational session should ideally precede the issuance of a Track II scoping memo.

If SCE leads the discussion, we will need 30-45 minutes for our presentation. If SCE follows PG&E and/or SDG&E, we will require about 20-30 minutes. Additional time should be allotted for Q&A, and to provide the parties with an opportunity to voice their respective concerns to the IOUs.

Thank for you setting this up. Please let us know if we may provide any assistance.

Bundled LTPP "Walk-Through" Info Session?

All,

On Monday at the LTPP PHC, Charles Middlekauff of PG&E proposed the idea of having the IOUs (or at least PG&E) host a "non-workshop" info session to walk interested parties through the bundled plans. My fellow ED staffs and I think this is a great idea, especially for those parties and staffs not familiar with the IOUs' bundled procurement processes.

Therefore, we would like to host this info session at the CPUC. Courtyard Room would be ideal. Available dates are January 10th, 11th, 25th, and 28th.

Please let me know if your organization wants to participate and present at this info session, how much time your presenter needs, and your preferred date, etc.

There are other logistics we need to sort out, of course, but first thing first, we need to pick a date. Please let me know asap.
