I need to move or cancel this call. I just found out this afternoon that I have relatives (who had been in the Bay Area) descending on our house for lunch on Tuesday. Perhaps later in the afternoon (3:30 or 4) or in the morning (10:30 ?). I am really sorry about this, but that's one of the hazards of trying to do this stuff during the holidays. I am also available on Wednesday most of the day (till about 4:00) but not at all on Thursday or Friday.
