Subject: FW: Sunil 2009 Gas Matters letters

Here's an incoming.

We've heard that the Chronicle is going to run an article tomorrow that speaks to a letter Sunil sent to PG&E on February 13, 2009. Attached is our response to the 2/13/2009 letter. If I can find Sunil's original letter, I will pass it along.

Here is our response to Sunil's 2/13/09 letter to Glen. I will have my secretary send a pdf of 2-13 letter since I can't quickly find it.
