Brian -

Since this is the media team's call, I have asked Dave and Blair to advise. I know Beth is tied up in preparation.

Thanks -

Mary Ellen

Great, thank you! Is there a number we can call to listen to the press conference?

We are planning to have an audio press conference at 1:00 p.m. We plan to thank the NTSB for their work to date, reemphasize our commitment to full cooperation with all investigations, and limit our comments to the facts stated in the report. We also plan to issue a news release to the same effect.

Janet

Yes. Originally it was going to be understated because the report doesn't come to any conclusions. I'm cc'ing our VP of Communications - perhaps she can give you more detail.

Hi Brian,

Is PG&E planning on issuing anything to the press today re: the NTSB release? Just curious.

Thanks,

Terrie
