**NOTICE OF EX PARTE COMMUNICATION**

Pursuant to Rules 8.2, 8.3 and 8.5 of the Commission's Rules of Practice and Procedure, the Division of Ratepayer Advocates (DRA) gives notice of the following ex parte communication in this proceeding. At 1 p.m. on December 9, 2010, in the San Francisco offices of the CPUC, Cheryl Cox, DRA Policy Advisor, Linda Serizawa, Program Manager for DRA's Electricity Pricing and Customer Programs Branch, and Diana Lee, staff attorney in the Legal Division, met with Andrew Schwartz, advisor to Commission President Michael Peevey. DRA initiated the communication, which was oral and written. The written material is attached to this notice.

Using the attachments appended to this notice, DRA explained that proposed reforms to the energy efficiency incentive mechanism that are currently under consideration in Rulemaking (R.) 09-01-019 must incorporate accurate *ex ante* energy savings values that have been reviewed and verified by the Energy Division, or the savings from the 2010-2012 portfolios will be overstated.
