Subject: Lobbying Gas Accord V

I just wanted to let you all know that we do still plan to do some lobbying at the Commission to approve Gas Accord V, and it would be great to have you with us when we do that (sadly, Ramesh, I think you will already be enjoying retirement by the time we have meetings regarding the settlement).

I also wanted to let you know that Jennifer Dowdell has taken over for Bill Stock as our Regulatory Relations liaison for this case. Jennifer, Roger Graham and I met with Ken Koss of Commissioner Simon's staff on Friday to discuss the contested issues raised by SoCalGas/SDG&E. Since the meeting focused on the contested issues, and not the broader issue of approval of Gas Accord V, we thought it best to keep it a PG&E meeting. Please let me know if you have any questions.

Regards,
