Standard Costs Memorandum Account
Importance:
High

Hi
everyone,

We have the last invoice of the year from CIEE. I've attached a letter that describes each IOU's allocation and a copy of the original invoices. If you would like a physical copy of this letter for your records, please let me know.

It is important that this invoice be processed as soon as possible. Currently, D.06-10-050 allows the IOUs to record these costs when paid, up until December 31, 2010. **Please respond to this e-mail with a confirmation that you have received it and an estimated date that you will pay PG&E (cc Redacted Redacted Redacted).**

Thanks,

Amy
