Subject: Motion for Party Status to CPUC proceeding R.09-01-019

Dear member parties to the CPUC Proceeding R. 09-01-019,

On behalf of 287 energy efficiency companies employing over 4,000 workers in California, Efficiency First would like to be more involved in California energy efficiency policy

making with the CPUC.

Efficiency First is a national non-profit trade association working to be the voice of the Home Performance industry and to advocate for policies that will create the foundation for a sustainable home retrofit market. Efficiency First wants to ensure that our member contractors are able to participate and be heard in the California state level policy making process. With their contribution, residential energy efficiency policy will be able to better respond to market reactions and needs.

We respectfully request your approval for Efficiency First to participate as a party to the Proceeding R.09-01-019. Attached is our Motion of Efficiency First for Party Status to R. 09-01-019.

Sincerely,
