Re: PG&E's 2011 Electric Rule 20A Program

Dear Mr. Clanon:

In accordance with Ordering Paragraph 6 of Commission Decision No. 73078 in Case 8209, Pacific Gas and Electric Company (PG&E) submits this letter to advise the Commission of its 2011 electric underground conversion work credit budget and allocations associated with PG&E Tariff Electric Rule 20, Section A.

PG&E's 2011 Rule 20A annual budgeted amount for the replacement of electric overhead with underground facilities is \$46.25 million. This amount is estimated; Commission action or other circumstances may require a revision to this figure.

PG&E's has not yet determined the amount of the Rule 20A work credit allocation, pending the adoption of the 2011 General Rate Case Settlement. PG&E will supplement this letter as soon as the allocation is determined.

Please contact Redacted if you have any questions regarding this letter.

Sincerely,

A handwritten signature in cursive script that reads 'Erik Jacobson' followed by '(sc)' in parentheses.

Erik Jacobson
