**Subject:** Energy Division Recurring Data Request For Monthly Updates to Project Development and Transmission Status of CPUC-Jurisdictional Renewables Projects Needing ARRA Funding

Meredith, Brian and Hannon,

Just a quick note to remind you to send the December RPS ARRA update to me rather than Susannah Churchill. Also, this monthly data request which was originally set to expire at the end of 2010 will continue into 2011. I will memorialize this more formally in the near future, but wanted you to know so you can plan accordingly.

Please let me know if you have any questions concerning this data request.

Regards,  
Sean
