Subject: RE: R.07-05-025 -- PG&E's Partial Response to "To Do" List Items

Thank you, Janet, for providing this information. As you may have seen, PG&E also provided certain responses to the to-do list items. For question 1, relating to FERC Form 1 data, PG&E provided the attached spreadsheets. For question 1, SCE simply summarized the data and provided the average cost for 2009 renewable energy. Would you please provide the underlying FERC Form 1 data in a format similar to what PG&E provided.

Thank you.

Scott Blaising

Subject: R.07-05-025 -- PG&E's Partial Response to "To Do" List Items

WORKSHOP MATERIALS

Steve and Fellow Workshop Participants:

Attached to this e-mail are PG&E's responses to Items #1 and #5 from the "To Do" list circulated by Steve after the end of the December 15th workshop in R.07-05-025. Since the workshops ended, we have been diligently working on our responses, but Items #2-#4 proved to be more challenging to pull together than expected and so we will have some minor delay getting our responses out to these items. We expect to have our remaining responses out next week. We put our responses in the form of data requests, which we hope people find helpful. We are using the same e-mail list that Steve used to circulate workshop materials, so hopefully this is getting to everyone who participated in the workshops.

If you have questions about these materials, please let us know. Otherwise, we will try to get out the additional materials next week. Happy Holidays to all who are taking off next week.

Charles Middlekauff, Donna Barry and Marc Renson
