Subject: PPD Advanced Meter (and other) papers

Brian,

You can find the PPD white paper on advanced meters at the following link:  
<http://www.cpuc.ca.gov/puc/emergingissues>

This is a forum that I have been quietly designing as a way for PPD to be more interactive with parties, academia and the public in general. I am still working out some kinks before announcing it on a broader basis, but the papers are there and available for public consumption. As to the specific AMI paper, I intended it to become a series of papers, but I simply can't bring myself to write another one yet...
