Subject: Motion for Party Status to Proceeding R.08-07-011 and A.08-06-004

Dear member parties to the CPUC Proceedings R. 08-07-011 and A. 08-06-004,

On behalf of 287 energy efficiency companies employing over 4,000 workers in California, Efficiency First would like to be more involved in California energy efficiency policy making with the CPUC.

Efficiency First is a national non-profit trade association working to be the voice of the Home Performance industry and to advocate for policies that will create the foundation for a sustainable home retrofit market. Efficiency First wants to ensure that our member contractors are able to participate and be heard in the California state level policy making process. With their contribution, residential energy efficiency policy will be able to better respond to market reactions and needs.

We respectfully request your approval for Efficiency First to participate as a party to the Proceedings R.08-07-011 and A. 08-06-004. Attached is our Motion of Efficiency First for Party Status to R. 08-07-011 and A. 08-06-004.

Sincerely,

--
