with your cockamamie ideas while I'm trying to get two new  
Commissioners ready  
for tomorrow, and preparing myself to testify in Senate Budget tomorrow,  
and

Paul - I  
understand TURN and CCSF both filed separate motions for a San Bruno  
investigation. I am assuming that given the IRP, the NTSB and the soon to be  
issued OII (speculation on my part) that you have enough on your hands and  
that  
these petitions don't really add to the debate. At least that is my take  
sitting  
on the beach in Kauai trying to enjoy my vacation !
