Subject: RE: Sempra Mesquite

Yes. I have a meeting that is likely to run late. Would around 12:15 work?

Meredith,

Just a quick note to touch base on PG&E's advice letter 3741-E (Sempra Mesquite). Jason is planning to send a data request today and a request for a conference call regarding the interconnection and transmission issues. Do you have a few minutes to discuss this, say around noon?

Regards,

Sean
