[Redacted],

These changes look fine to me. Thanks!

Unless there are further comments, can we call this final?

Subject: IOU Comments on SW Check In Meetings Guidelines Document

Simon and Jeanne-

The IOUs had an action item from our last call on 1/11/11 which was to provide comments to you on the
ED SW Program Check-In Meeting Guidelines document within 10 days. Attached are our combined
comments for your consideration.

The IOUs are also working on a standard SW Meeting template that will be used by the SW teams to document agenda items and follow up issues. We are using your guidance document to assist in the development of the template and will share the template draft once we have if further along.

Thanks for giving us the opportunity to provide our comments and please let me know if you have any questions.
