Subject: RE: are you still the EE guy?

Looking to set up a meeting with the EM&V team. Since I got thrown into the morass in order to "provide a fresh set of eyes, and a new perspective" on EM&V in the post-2012 world, I figure I should try and learn me sumthin bout EM&V.

Possible dates: afternoon 2/3, afternoon 2/4, anytime 2/7, anytime 2/8, anytime 2/9

Any of those work?

Yes, that's me! Should we talk?

Do I seem terse? Blame the thumb keyboard.

And more specifically the EM&V guy?
