Subject: PG&E, Pipeline 2020 Decision Trees

Raffy, attached are copies of the PG&E Pipeline 2020 Decision Trees for Pipe and Valve Automation that we presented and discussed during the meeting and conference call between PG&E and the CPUC on Friday afternoon, January 28, 2011.

<<...>> <<...>>

Printing instructions:

1. Select 11 x 17 paper
2. Make sure you are printing in color
3. Check the box that says "scale to fit paper"

PG&E has been working with industry experts to develop the attached decision trees and to create a written justification for each decision point and action. The Decision Trees are "Drafts" still under development, however, once finalized they will be used to help guide our actions under Pipeline 2020.

PG&E would welcome any questions or comments you may have on the Decision Trees. I can be reached at the email address above or via phone. Looking forward to hearing from you.

Thank You,

Todd Hogenson
