Subject: RE: Reschedule: Call with Energy Division and IOUs on RAM (Jan 14 09:00 AM PST)

Hi Jaclyn,

January 28th will be difficult for SDG&E too. We are working through a number of open items and the AL is in very rough format at this time. We also need to vet with upper management and work out the details before we would be ready to discuss.

I hope you feel better soon.

Jaclyn, hope you feel better. The IOUs will talk and try and find another time next week to reschedule the call.

As far as sharing the advice letter with ED and Peevey's office on the 28th, this is going to be very difficult for SCE. We are currently scheduled to talk to our senior management on February first to get direction/confirmation on key commercial elements. We can share feedback from that briefing on the 2nd, but the advice letter will still be evolving significantly around that time. We will look at our internal schedule and see what we are prepared when, but I just wanted you to know the 28th is likely not going

to happen.

Thanks,

Folks,

I'm sorry for the late cancellation, but I'm home sick today. Please let me know what times work for you next week. I am available on Tuesday (except from 9:30-10:00), Wednesday (except from 10:30-11:30), and Thursday.

Also, President Peevey's office and ED would like to review your advice letters in advance of filing, so please have a draft prepared for review on Friday, January 28.

Please let me know if you have any questions.
Jaclyn
