Subject: RE: Greengate Supplemental - procedural question

Isn't there only one decision now that these contracts must comply with? That is D.10-03-021, as modified by D11-01-025.

Sean

Sean,

We actually need both of the supplements given the changes to the STCs in both REC decisions. The first supplement has the first amendment to the PPA, which includes the changes to the STCs from the March REC decision and this supplement will include the second amendment, which includes the changes to the STCs from the January REC decision.

Thanks,

Meredith

Meredith,

If today's supplemental advice letter (3620-E-B) addresses the same issues as the prior supplement (3620-E-A), I think it probably makes sense to withdraw supplemental AL 3620-E-A. Thoughts?

Regards,

Sean
