Hi Meredith--

My apologies, I think Yuliya may have filed it accidentally in the wrong place. Thanks for the prompt reply, I appreciate it!

Cheers,
Jason

Hi Meredith-

I'm checking in on your response to DR-001 Question 3(b). Neither Yuliya

nor I have received anything yet; will you be able to deliver the request before COB today?

Also, please explain in your answer to Question 3(b) how estimates of RPS contract expenses through 2020 were generated. Annotations or footnotes will be useful so that we may use the numbers for comparative purposes.

Cheers,

Jason

Sure, no problem. Actually, the person for whom I was filing the data request, Jason Burwen (CCed), is now back from vacation so he can be the point person from now on.

Thanks,
Yuliya

Hi Yuliya,

As I mentioned in my message, I'm really sorry to ask for this after already receiving one extension but would it be possible to provide the response by noon on Monday?

Thanks,
Meredith
