Subject: RE: Update: HVAC Quality Maintenance Contractor Protest

Simon, Jeanne,

I also just heard that the HVAC contractors have a meeting at 10 AM tomorrow with the CPUC. I'm not sure if this meeting is with the two of you or others at the CPUC. There is also the possibility that the contractors will present at the CPUC's public meeting in front of the Commissioners which begins at 10 AM.

Just a heads-up. Let us know if you would like us or our HVAC leads present at the meetings.

Thanks.

Simon and Jeanne,

FYI - Channel 5 is interviewing protesting HVAC contractors at the CPUC today. [Redacted] will conduct an on-camera interview on the issue this afternoon. She is with our communications group. Please give Paola or me a call if you need more info. I will be away from the office this afternoon but feel free to try to reach me on my cell if necessary.
