Subject: FW: SM DR Responses to DRA _001

Tom,

I just received a message from your server that said your mailbox is full. I think it may be that the attachments to these DRs are too large. I'll need to put them – and all the others I was planning to send tonight – on a flash drive and have it brought to Van Ness on Tuesday morning. Meanwhile, I'm resending with text only (no large attachments) to see if that works.

On behalf of Sid, here is a partial response to Data Request DRA_001. Please note that some of the attachments contain confidential information and are being submitted under CPUC Code Section 583. More responses to DRA_001 will follow on Tuesday, January 18.
