Brian, Michael Malekos is a high school friend(Saint Ignatius '75) who is also a former PG&E'er. I have always known him as a class act. Could you or someone on your team arrange an interview? I really enjoyed breakfast with Jennifer. Very impressive! Regards,

Subject: My Resume

Jerome:

Thanks for speaking to Tim regarding me; this means a lot.

Please let him know that I have a strong understanding of Relationship Management and am a graduate of PG&E's Customer Service Management Training Program where I was exposed to and worked at virtually every job within the Company.

I enjoy a positive can-do attitude. I am an excellent communicator and effective in dealing with a variety of individuals. I also maintain a strong work ethic.

PG&E's position of Customer and Community Relationship Manager would be an excellent fit for someone with my background. An evaluation of my resume will further acquaint you and Tim with my qualifications.

In addition to PG&E, Tim may have inroads to opportunities with other Bay Area Utility Districts or organizations he is associated with, i.e., Palo Alto, East Bay, Marin, San Francisco, Alameda, the CPUC, etc.

Thanks again my brother,

Mike
