CPUC Information Alert: Documents on Pipeline Safety Available on CPUC Website

The California Public Utilities Commission (CPUC) today published to its website documents relating to PG&E pipeline safety, such as past audits conducted by the CPUC and reports filed by PG&E.

The documents are available at: www.cpuc.ca.gov/PUC/events/110208_docs.htm

The documents include:

- * Records of the CPUC's 2004, 2006, 2008, and 2010 Audits of PG&E's Peninsula Division; records of the CPUC's 2005 and 2009 Audits of PG&E's San Francisco Division; and records of the CPUC's 2005 and 2008 Audits of PG&E's Hollister-Milpitas Districts.

- * The CPUC's 2007, 2008, and 2009 audits of PG&E's operation, maintenance, and emergency plans.

- * CPUC 2010 Audit of PG&E's Integrity Management Program (this audit is ongoing and will not be considered closed until the CPUC is satisfied that each item in the audit has been addressed).

- * Four sets of reports filed by PG&E with the CPUC and/or the U.S. Department of Transportation, Pipeline and

Hazardous Materials Safety Administration (PHMSA).

Please let me know if you have any questions.
