Subject: Agenda for 3/9/11 Workshop on Energy Storage (R10-12-007)

Dear  
Parties

Attached, please find the agenda for the energy storage workshop to be held at the CPUC Headquarters on March 9th. The workshop is scheduled to take place from 9:00 AM-4:00 PM in the main Auditorium. We look forward to a productive day discussing a range of topics on this subject. Having interested and engaged stakeholders present will be vital to the success of the day.

For those who are unable to attend the workshop in person, the workshop will be available via WebEX, enabling participants to ask questions remotely. In order to facilitate remote participation, please sign up in advance. To register for the WebEX, please visit:  
<https://van.webex.com/van/j.php?ED=144148872&RG=1&UID=1152392197&RT=MiM0>

This is being sent out to all parties currently on the Energy Storage Service List (R10-12-007). Please feel free to forward onto other interested stakeholders.

If you have any questions, please do not hesitate to contact me directly. My contact information is below.

Best
