Subject: CPUC Information Alert: More Pipeline Documents Online

In addition to the document referenced below in Tom Hall's email, the California Public Utilities Commission has also posted to its website at www.cpuc.ca.gov/PUC/events/sanbruno.htm the following documents:

* PG&E's Accelerated Gas Transmission System Aerial and Ground Leak Survey Trends Report

* Sempra's Response to Jan. 3, 2011, CPUC Directive

Please let me know if you have any questions.

Terrie

Subject: CPUC Media Advisory: PG&E Files Status Update on Actions Directed by CPUC re: San Bruno

On Jan. 3, 2011, the National Transportation Safety Board (NTSB) sent safety recommendations re: the Pacific Gas and Electric Company (PG&E) pipeline explosion in San Bruno. The California Public Utilities Commission immediately ordered the state's utilities to address the NTSB's recommendations,

and set a March 15 deadline for PG&E to comply with the CPUC's pipeline records search. Today, PG&E filed an update on its actions.

That information is available at: <http://www.cpuc.ca.gov/PUC/events/sanbruno.htm>
