Subject: Re: PG&E's Response to CPUC Feb. 2, 2011 letter

Thanks, Bernadette. I think the problem had to do with the fact that I was trying last night to access the document on my iPhone, and for some reason the document didn't appear. But I was able to find it on my e-mail here in the office this morning.

Thanks again!

Frank

Frank - I understand you didn't get the attachment last night. Here is the email again.

Redacted

Brian Cherry (Vice President-PG&E Regulatory Relations):

Paul:

In your letter to PG&E dated February 2, 2011, you directed PG&E to take actions on certain of its natural gas transmission lines. Attached is PG&E's response to your directives.

<<Feb 2 2011 - PGE Response to CPUC - Pressure Reduction.pdf>>
Please let me know if you have any questions.
