Officers:

PG&E is proud of its 2010 supplier diversity results of more than 30% spend with women, minority and service disabled veteran-owned businesses. This is the highest Supplier Diversity percentage ever achieved by the company.

On March 30, 2011 from 7:30 a.m. to 10 a.m., we will recognize PG&E employees who helped us achieve this goal. We will also celebrate the 30th anniversary of PG&E's Supplier Diversity Program.

The Supplier Diversity Achievement Awards will be held in the 245 Market Street Auditorium and will include breakfast. We'd be delighted if you can join us for the event.

Formal invitations will follow.

Thank you for your continued leadership and ongoing support.
