RE: Submittal of PG&E's Advice Letter pursuant to D.10-12-048

Dear Mr. Mathal-Jackson:

Pacific Gas and Electric's (PG&E) letter on February 8, 2011 requests a 10-day extension to file the RAM Implementation Advice Letter ordered in Ordering Paragraph 1 of Decision 10-12-048, which adopted the Renewable Auction Mechanism. The letter states that PG&E needs more time a) due to the lack of availability of some parties during the holiday period and b) to adequately address the complexity of the filing's requirements.

A 10-day extension is reasonable and granted. Accordingly, the deadline for filing the advice letter ordered in Ordering Paragraph 1 of Decision 10-12-048 is hereby extended from 60 days to 70 days, or from February 15, 2011 to February 25, 2011.

All other requirements of Decision 10-12-048 continue to apply.

Sincerely,

A handwritten signature in cursive script that reads "Paul Clanon".
