Hi Jaclyn,

Sorry it took so long for me to respond. I was at the CPUC late this afternoon. Grady is a man. I really appreciate the extension. Our folks have been worried about the timing.

I will send the outline over tomorrow with times for a meeting.

Thanks,
Meredith

Hi Meredith,

Since we seem to keep on missing each, I'll attempt an email instead.

First, we're finalizing the extension letter. Grady is a woman, correct? (I need to know who to address the letter to!).

Second, we spoke two weeks ago about PG&E sharing the outline for the Solar PV Program Compliance report. Will you be able to send that to me in the next few days? I'd also like to schedule a meeting to discuss the outline and the report, so please let me know the best times for you next week. I'm available to meet Tuesday through Friday.

Jaclyn
